

AGENDA - January 17, 2019

1. ACTION ITEM: APPROVE NOVEMBER MINUTES
(Approved)

2. Financial - Martita

- We are on track to raise as much as last year if all fundraisers go as they have the last few years (they have been going great the last few years).

3. Readathon - Carly

- Will be using Pledge Star instead of 'Read-a-thon' software. Upside- They only take \$1000 total! (Last year they took 20% of our 17k!),

Downside= No promotional items so they will need to be created.

- Thinking of ways to not only promote the fundraising but the READING part as well!

4. Commitment sheets- Mo

- We are on track for the current enrollment.

5. Redwoods- Heather/Mo

- Beach clean-up was post-poned. Heather will promote with new date. This is to get free Disneyland tickets for the redwoods.

- Time to begin our search for Redwood donation items.

6. Parties for Redwoods-

- Consider hosting a party as a Redwoods auction item!

7. Garden and library update- Sarah

- Everybody is really happy with the library and the garden!

8. Officer Announcements

- Yearbook needs photos for the yearbook! Teachers, there will be a link sent to upload photos to contribute to the yearbook!

- Poker Night is coming! April 13th at the same place! Go! It is SO fun!

-Steve Seffinger started with the classes this week bringing tech to the classrooms! Coding, robots and more!

9. Open Discussion
