Hi All,

Hope everyone is having a glorious summer. Laura and I opted out of a meeting on this issue because she's in Oregon and I am just super busy right now.

Laura received a quote for the painting of the school at \$29,435. (Thank you for your hard work on this Laura!!) She let Michelle know who felt it was reasonable - I felt the same. This is a reference from Jocelyn Forest's painter that just did her house. She was very happy with his work.

As opposed to holding a meeting to vote, we wanted to get approval of use of parent club funds to move forward.

We haven't picked colors, and I'm not sure if it would be best to leave something like that up to Michelle - or if we should find a few color combos then run them by for a vote. Any thoughts?

Thanks all,

Kirin

Is there a timeline for this? Could it happen before school starts??

We will discuss a timeline. We need to work around the cleaners. :)

Seems like everyone is in agreement to move forward! Exciting! Michelle, I'd prefer to defer to you on the colors you were envisioning!

And 2 small circular wooden tables (Home Depot). The total is about \$8600, maybe closer to \$9k with taxes and shipping...

We will be able to get rid of some of the tables that are in really bad shape and the steel frames on the new tables should last nearly a lifetime and you can replace the boards as needed directly through Uline.

YES!!! I second (is that what we are supposed to do?)

I'm on campus now and it looks AMAZING!!! I am so excited!!!

These are the kinds of improvements that families get fired up for! I think that seeing all this, families will be jazzed to fundraise for our sweet school ❤️

I approve! We do not have a PC credit card. Is there a way to pay directly from our bank account? Or does the school have a way to purchase them and we reimburse the school?

Exciting!!!

I'm so glad the painting is going well, you know, it is so great that Jocelyn recommended this painter because the other bid was \$10k more! This allows us to get tables too!

Thank you guys, the families are going to be so so excited to see their donations at work to improve the environment for their children and our staff! 🙏
